APPLICATION FOR AN ACT TO AMEND THE VANCOUVER CHARTER

NOTICE is hereby given that an application will be made by the City of Vancouver to the Fourth Session, Thirty-second Parliament of the Legislative Assembly of the Province of British Columbia, for an Act to amend the *Vancouver Charter* to provide for the following matters:

1. To amend section 58 by providing that clause (b) is operative only if Council does not pass a bylaw pursuant to section 137 (3), and by adding a new clause providing that an elector may only vote once for an Alderman in the area or ward in which such elector is entitled to vote if a bylaw is passed pursuant to section 137 (3).

2. To amend section 72 to enable an elector who qualifies pursuant to section 73A to obtain a ballot paper.

3. To repeal subsections (2), (3) and (4) of clause 73A in order that a person who claims to be a qualified elector may vote on election day if that person is prepared to swear an affidavit in the appropriate form.

4. To amend section 137 to enable Council, by bylaw, to provide for the election of Council on an area or ward basis, and to fix the number and set the boundaries of such areas or wards.

5. To amend section 160 to make the discharge of Council Committees relate to the term of office of Council.

6. To enact section 173 to give Council additional powers in times of emergency.

7. To amend section 180 to enable Council, by bylaw, to indemnify employees against claims for damages arising out of the performance of their duties.

8. To amend section 182 to enable Council, by bylaw, to indemnify volunteer workers who assist the City or its various Boards, against claims for damages arising out of the performance of their services.

9. To amend section 272 to enable Council to regulate the presence of persons under 18 years of age in arcades.

10. To amend section 280 to widen the types of businesses subject to business tax, and include at least two major businesses which are not covered by the present legislation.

11. To amend section 306 to enable Council, by bylaw, to adopt the Federal energy conservation regulations.

12. To amend section 338 to enable Council to permit the Vancouver Athletic Commission to regulate kick-boxing and also to increase the fees charged by the Commission from two cents to five cents per seat.

13. To amend section 396 to narrow the scope of exemptions from real property tax, specifically with respect to persons who provide services or conduct their operations on Crown lands.

14. To further amend section 396 to provide that senior citizens housing and community care facilities which receive regular Provincial or Federal assistance are exempt from taxation only if so provided by bylaw.

15. To re-enact section 486 to enable Council, by bylaw, to determine whether or not Park Commissioners will be elected on an at large, or on an area or ward basis.

16. To amend section 489B to remove the limit on annual indemnities paid to members of the Park Board.

17. To add a section 571B to enable Council to prohibit the demolition of residential accommodation.

PRIVATE BILLS

Excerpts From Standing Orders Relating to Private Bills

97. No petition for any Private Bill shall be received by the House after the first 10 days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no motion for the suspension or modification of this Standing Order shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with the consideration of Private Bills, who shall report thereon to the House. And if this rule shall be suspended or modified as aforesaid, the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the petition has been received after the time hereinbefore limited, shall in either case pay double the fees required in respect of such Bill by this rule, unless the House shall order to the contrary.

98. (1) Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session.

- (a) a printed copy of such Bill;
- (b) a copy of the petition to be presented to the House;
- (c) copies of the notices published, with publication proved by a statutory declaration of affidavit to the satisfaction of the Clerk of the House.

(2) At the time of depositing the Bill and petition the applicant shall also pay to the Clerk of the House the sum of \$300.

(3) If a copy of the Bill, petition, and notices proved as aforesaid shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session or if the petition has not been presented to the House within the first 10 days of the Session, the amount to be paid to the Clerk shall be \$600. If the Bill shall not pass second reading, one-half of the fees shall be returned.

100. (1) All applications to the Legislative Assembly for Private Bills of any nature whatsoever shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant.

(2) Such notice shall be published in *The British Columbia Gazette* and once a week in one leading daily newspaper freely circulating in all parts of the Province. The notice in such newspaper to appear on Wednesday of each week.

(3) When the proposed Bill is of such a nature that it may particularly affect one or more electoral districts, the notice shall furthermore be published once a week if possible in some newspaper in every electoral district affected, or if there be no newspaper published therein, then in a newspaper published in the electoral district nearest thereto.

(4) The publication of such notice shall in all cases be continued for a period of four weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

101. Every petition signed by an agent or attorney in fact shall be accompanied by the authority of such agent or attorney in fact, and the petition shall not be deemed to be filed with the Clerk until this is done.

102. Before any petition praying for leave to bring in a Private Bill for the erection of a toll bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Standing Order 100, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts or vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

103. (1) All Private Bills for Acts of incorporation shall be so framed as to incorporate by reference to the causes of the general Acts relating to the details to be provided for

by such Bills: Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the general Act is proposed to be departed from. Bills which are not framed in accordance with this Standing Order shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

(2) Every Bill for an Act of incorporation, where a form of model Bill has been adopted, shall be drawn in accordance with the model Bill (copies of model Bills may be obtained from the Clerk of the House). Any provisions contained in any such Bill which are not in accord with the model Bill shall be inserted between brackets or underlined, and shall be so printed.

(3) Any exceptional provisions that it may be proposed to insert in any Bill shall be clearly specified in the notice of application for same.

107. All Private Bills shall be prepared by the parties applying for the same, and printed in small-pica type, 26 ems by 50 ems, on good paper, in imperial octavo form, each page when folded measuring 10 3/4 inches by 7 1/2 inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters.

In the case of Bills to incorporate companies, in addition to the fee of \$300 mentioned in Rule 98, fees calculated on the capital of the company are payable at the same time. Further particulars can be had on application to the undersigned.

All cheques in payment of fees must be certified.

APPLICATION FOR AMENDMENT OF POLLUTION CONTROL PERMIT PE-5615

THIS APPLICATION is to be filed with the Director of Pollution Control, 1011 Fourth Avenue, Prince George, B.C. V2L 3H9.

Any person who qualifies as an objector under section 16 of the *Pollution Control Act* may, within 30 days of the date of application, or within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or where service is required, within 30 days of serving a copy of the application, file with the Director at the above address an objection in writing to the granting of an amendment, stating the manner in which he is affected.

Preamble—The purpose of this application is (1) to amend and consolidate the Pollution Control Effluent Permit to reflect the positive discharge of treated effluent to the ground by spray irrigation during the summer period and (2) to amend the legal description.

Westcoast Transmission Company Limited, 1333 West Georgia Street, Vancouver, B.C. V6E 3K9, hereby applies for amendments, as described below, to Pollution Control Permit PE-5615, granted on January 23, 1980, which authorized the discharge of effluent from natural gas processing plant (Pine River Gas Plant), located at Hasler Flats, B.C., to evaporation ponds.

AMENDMENTS REQUESTED

Before

Appendix 01—relates to discharge of boiler blowdown and water treated effluent to two evaporation ponds.

Appendix 02—relates to discharge of treated combined domestic sewage and plant wash water to three evaporation ponds.

After

To consolidate the effluent related to the above appendices into one appendix reflecting a common spray discharge as follows:

Item (a) The discharge of effluent applicable to this appendix is from the treated waste water and boiler blowdown evaporation ponds.

Item (b) The quantity of effluent which may be discharged is an average of $13 \times 10^3 \text{ m}^3$ per annum during June, July and August.

Item (c) The characteristics of the effluent shall be equivalent to or better than those originating from: biologically treated domestic sewage and wash down water, boiler blowdown water and water treatment unit backwash, following long term retention in holding ponds.

Item (d) The works authorized are oil separator, biological treatment unit, holding ponds, spray irrigation disposal site, and related appurtenances approximately as shown on Appendix A.

Item (e) The land from which the effluent originates and to which this appendix is appurtenant is District Lot 1156, Peace River District.

This application, dated on January 4, 1982, was posted on the ground in accordance with the Pollution Control Regulations.

APPLICATION FOR A PERMIT UNDER POLLUTION CONTROL ACT

(Refuse)

THIS APPLICATION is to be filed with the Director of Pollution Control, Waste Management Branch, 1011 Fourth Avenue, Prince George, B.C. V2L 3H9.

Any person who qualifies as an objector under section 16 of the *Pollution Control Act* may, within 30 days of the date of application, or within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or where service is required, within 30 days of serving a copy of the application, file with the Director at the above address an objection in writing to the granting of a permit, stating the manner in which he is affected.

Preamble—The purpose of this application is to obtain a permit to dispose of coarse washplant refuse from a coal preparation plant located at the Quintette Coal Limited property.

Quintette Coal Limited, 2800, 650 West Georgia Street, Vancouver, B.C., hereby applies to the Director for a permit to discharge refuse from a coal preparation plant located 103 kilometres south-southwest of Dawson Creek, and gives notice of application to all persons affected.

The refuse-disposal site of approximately 68 hectares shall be located at Crown land (at present), Peace River Land District, which is approximately 1 600 metres east-southeast of the confluence of the creek known as M17 and Murray River.

The type of refuse to be discharged shall be inert waste rock and coal (industrial).

The quantity of refuse to be discharged shall be as follows: Average daily discharge (based on operating period), 8 400 tonnes. Total annual discharge, 2 190 000 tonnes.

The operating period during which the refuse will be discharged shall be continuous for 260 days per year.

The nature or characteristics (in per cent by weight) of the refuse to be discharged is estimated to be 100% inert rock and coal waste.

The type of treatment to be applied to the refuse is refuse deposited and compacted in 0.6 metre lifts; surface drainage collected and ditched to tailings pond; upland drainage diverted around site.

This application, dated on December 23, 1981, was posted on the ground in accordance with the Pollution Control Regulations.

APPLICATION FOR A PERMIT UNDER POLLUTION CONTROL ACT (Effluent)

THIS APPLICATION is to be filed with the Director of Pollution Control, Waste Management Branch, 1011 Fourth Avenue, Prince George, B.C. V2L 3H9.

Any person who qualifies as an objector under section 16 of the *Pollution Control Act* may, within 30 days of the date of application, or within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or where service is required, within 30 days of serving a copy of the application, file with the Director at the above address an objection in writing to the granting of a permit, stating the manner in which he is affected.

Preamble—The purpose of this application is to obtain a permit to dispose of tailings from a coal preparation plant associated with the Quintette Coal Project.

Quintette Coal Limited, 2800, 650 West Georgia Street, Vancouver, B.C., hereby applies to the Director for a permit to discharge effluent from a coal preparation plant located 103 kilometres south-southwest of Dawson Creek into a tailings pond with reclaim of supernatant water; emergency overflow to a stream known as MT7, which flows west and discharges into Murray River, and gives notice of application to all persons affected.

The land upon which the works are located is Crown Land (at present), Peace River Land District.

The discharge to the tailings pond shall be located at approximately UTM Coordinates 6,097,500N and 628,500E.

The quantity of effluent to be discharged is as follows: Average daily discharge (based on operating period), 5 520 cubic metres per day (to the pond). Maximum daily discharge, 5 520 cubic metres per day (to the pond).

The operating period during which the effluent will be discharged is continuous.

The characteristics of the effluent discharged shall be equivalent to or better than typical coal preparation plant tailings; any emergency overflow shall contain 50 mg/L of suspended solids (or less); pH, 6.5–8.5.

The type of treatment to be applied to the effluent before discharge is settlement of solids in a tailings pond; reclaim of supernatant water by decant; emergency discharge to M17.

This application, dated on December 23, 1981, was posted on the ground in accordance with the Pollution Control Regulations.
